MIC POTTER

HEAD COACH

CORTLAND STATE, 1977

Alabama head coach Mic Potter added national champion to his resume in 2012 and begins his 17th season with the Crimson Tide and 38th overall with another highly-ranked and talented roster for the 2021-22 season.

Potter had already established a Hall-of-Fame legacy before arriving in Tuscaloosa thanks to his impressive work building Furman into a national power. His work over the past 16 years at Alabama has been historic, culminating with the school's first national championship in 2012. Three seasons later, Potter helped guide Emma Talley to the individual NCAA Championship to cap off the 2014-15 season, making her the first NCAA medalist in the program's history. In 2017-18, Potter narrowly missed his second national title as the Crimson Tide finished runner-up at the NCAA Championships in Stillwater, Okla.

That finish garnered Potter 2018 National Coach of the Year honors from the Women's Golf Coaches Association, the second such recognition of his distinguished career. Potter, who came to the Capstone after 22 years at Furman, led the Tide to its second NCAA appearance in program history in his first year at Alabama and has done so 14 of the last 16 years (2006-21). His 2012 national championship, 2018 runner-up finish and 13 straight NCAA Championships berths (2006-18) only reaffirmed his status as one of the most accomplished coaches in women's collegiate golf.

With the recent success, the honors continue to pile up for Potter, who helped the Crimson Tide develop into a national power in the ultra-competitive SEC. The veteran coach has won 14 conference coach of the year awards, including six in the SEC, in addition to the two national awards. Throughout his career, Potter has developed a reputation for being an excellent teacher of the game as well as a builder of elite college programs. His student-athletes have consistently performed at a high level both in the classroom and on the course, with several carrying that level of excellence into the professional ranks. Potter's former players who have gone on to careers in the LPGA include the legendary Dottie Pepper (who starred for his Furman teams) and several recent Alabama players, namely Kathleen Ekey, Jenny Suh, Brooke Pancake, Jennifer Kirby, Cheyenne Knight, Lauren Stephenson, Kristen Gillman, Emma Talley and Janie Jackson.

Knight became the first Alabama women's golfer to win on the LPGA Tour after capturing the 2019 Volunteers of America Classic title at the Old American Golf Club in The Colony, Texas.

During the regular season in 2020-21, the Crimson Tide finished in the top 10 seven times through seven tournaments, including boasting two top-five performances. In the 2021 SEC Championship, the squad defeated second-seeded South Carolina in the first round of the quarterfinals (3-1-1) before falling to Auburn (3-1-1). Alabama punched its ticket to the Baton Rouge Regional as the No. 6 seed, marking its 22nd regional appearance and Potter's 15th at the Capstone. The team advanced to the NCAA Championship, where the Tide finished in 24th place. Meanwhile, newcomer Benedetta Moresco was named 2021 SEC Freshman of the Year, the fifth time in Potter's tenure an Alabama player has landed such an award.

Before the 2019-20 season was abruptly canceled in March because of the COVID-19 pandemic, the Alabama women's golf team was off to a hot start. The group earned five top-five finishes through seven tournaments, including back-to-back-to-back runner-up performances at the Schooner Fall Classic, Ruth's Chris Tar Heel Invitational and the Landfall Tradition tournaments in the fall. The season ended because of the public-health threat, canceling the Liz Murphy Intercollegiate, Grove Cup, SEC Championship and the NCAA Regionals and Championships.

In 2018-19, Alabama kicked off its season with two straight first-place finishes at the ANNIKA Intercollegiate (-28, 836) and the Schooner Fall Classic (-45, 807). The fivesome's score at the Schooner Fall Classic, which include Jiwon Jeon, Lauren Stephenson, Angelica Moresco, Kristen Gillman and Kenzie Wright, set an NCAA record for team score vs. par by four shots. The Tide went on to

collect four top-10 finishes through 10 tournaments that season.

In 2017-18, Alabama was ranked No. 1 through the majority of the season and finished in the top two in 10 of the 11 tournaments on its schedule. The Crimson Tide secured four team victories – the Schooner Fall Classic, Darius Rucker Intercollegiate, Liz Murphey Collegiate Classic and the NCAA Tallahassee Regional. Additionally, the Tide also set school records for scoring average (283.55) and score vs. par (-3.36). Individually, junior Lauren Stephenson earned the Golfstat Cup as the nation's low scorer after finishing the season with a school-record scoring average of 69.76. Stephenson, Cheyenne Knight and Kristen Gillman earned WGCA All-America honors in 2018, giving the Tide three First Team All-Americans in the same season for just the second time in school history.

The individual success did not stop with the conclusion of the regular season however. Gillman would go on to become Alabama's second U.S. Women's Amateur champion that summer and teamed with Stephenson to help the United States win both the Curtis and Palmer Cups. Gillman would cap her summer by leading the U.S. to a third international victory in the Women's World Team Amateur Championship.

Alabama opened the 2016-17 season in record-setting fashion as the Tide stormed to a school-record 39-under par 825 to win the Mason Rudolph Championship in its first tournament of the fall schedule. Knight set a school 54-hole record with a 14-under par 202 and Lakareber Abe also set a school 18-hole record with a 9-under par 63 in the final round.

The Tide would go on win two other regular-season tournaments as well as the NCAA Athens Regional, earn a runner-up finish at the SEC Championships and qualify for a 12th-straight NCAA tournament. Individually, Knight earned SEC Player of the Year honors and Gillman was named the conference Freshman of the Year. Knight and Gillman also earned first-team Women's Golf Coaches Association (WGCA) and Golfweek All-America honors, while Stephenson earned second-team honors from both groups.

The 2015-16 season saw the Crimson Tide win its third SEC championship, all under Potter, and qualify for the NCAA Championships. Knight was named the NCAA Freshman of the Year by the WGCA and First Team All-American by the WGCA and Golfweek. Talley was tabbed a First Team All-American by the WGCA and joined Knight as a first team SEC all-conference honoree.

The 2014-15 season marked the 10th consecutive NCAA berth for the Crimson Tide. Alabama finished 14th

overall at the NCAA Championships. The highlight of the season was undoubtedly Talley's triumph, finishing three-under par for the tournament to bring home the NCAA individual title. She was named a first team All-American by both the WGCA and Golfweek. Talley also earned the Honda Award for women's golf, the second player in program history to do so. Abe was selected to the 2015 SEC All-Freshman Team.

Stephanie Meadow led the 2013-14 team that finished ninth at the NCAA Championships and won The Landfall Tradition. Meadow became the school's all-time leading scorer and the program's first four-time First Team All-American. She was also named the SEC Player of the Year and Scholar-Athlete of the Year for the second time. She was also named the NCAA Elite 89 Award winner. Talley garnered honorable mention All-America honors and helped lead the United States to victory at the Curtis Cup while Meadow played for the Great Britain and Ireland team.

The Crimson Tide's 2012-13 season was another for the record books as the program captured its second SEC championship and second NCAA East Regional title. Alabama won a school-record seven events, including six of eight on the spring schedule. Potter was named the SEC Coach of the Year and the SkyCaddie WGCA East Region Coach of the Year.

The 2012-13 team saw three players garner All-America honors, with Meadow a consensus first team selection. Talley was a second-team pick by the NGCA and Jennifer Kirby earned honorable mention accolades. Meadow also became the first Alabama player to earn SEC Player of the Year honors and the third in conference history to also be named the SEC Scholar-Athlete of the Year in the same season. Talley became the third Tide golfer to earn league Freshman of the Year honors. Hannah Collier garnered second team All-SEC recognition, along with Talley and Kirby.

The 2011-12 team captured the NCAA title with a one-stroke victory over USC at the Vanderbilt Legends Club. The Crimson Tide spent most of that season ranked second in the polls and finished third in the SEC before tying for fourth at the NCAA East Regional leading up to NAAs. Earlier the Tide posted team victories at the SEC/Pac-12 Challenge, the Darius Rucker Intercollegiate and the Liz Murphey Collegiate Classic. Alabama finished second on three other occasions and finished outside the top four only once in 2011-12.

The 2011-12 season saw three Alabama players, Pancake, Kirby and Meadow, earn First Team All-America honors. Pancake won the Honda Award, presented to the nation's top collegiate golfer, while also being named the SEC Scholar-Athlete of the Year for the third time, the

SEC Female Athlete of the Year and the CoSIDA Capital One Academic All-American of the Year. Pancake (United States) and Meadow (Great Britain and Ireland) also participated in the Curtis Cup at Nairn in Scotland to cap the historic 2011-12 season.

Alabama's 2010-11 team turned in an outstanding season as the Crimson Tide continued its climb into the elite of women's collegiate golf. The Tide spent the entire season in the top five with five wins before tying for eighth at the NCAA Championship.

Two Alabama players captured medalist honors during the 2010-11 season. Meadow, then a freshman, had a school-record three wins (Lady Puerto Rico Classic, Sugar Bowl Intercollegiate and NCAA East Regional). Pancake won the Tar Heel Invitational in the fall of 2010 with an 11-under-par 206 to lead the team to a school record 28-under-par 836 finish.

Meadow and Pancake were selected as 2011 First Team All-Americans while Camilla Lennarth garnered third-team honors. The Tide also had three first team All-SEC selections (Meadow, Pancake and Lennarth) and one second-team choice (Kirby). Potter was named the 2011 SEC Coach of the Year, Pancake the Student-Athlete of the Year and Meadow was the Freshman of the Year.

The 2010 SEC Championship was a springboard for the program's best NCAA Championship finish to that point, a third-place showing that was only four shots off the winning score. Alabama also captured a team win at the Lady Puerto Rico Classic.

The Tide had three players finish in the top 15 individually at the 2010 NAAs, with Kirby tied for seventh, Pancake 12th and Lennarth tied for 13th. That trio garnered All-America honors, with Lennarth earning second-team accolades while Kirby and Pancake were honorable mention selections.

Lennarth and Kirby also were First Team All-SEC selections, with Kirby adding the 2010 SEC Freshman of the Year. Pancake was a Second Team All-SEC selection and the SEC Scholar-Athlete of the Year. She also was honored with the NCAA Elite 88 Award at the NCAA Championship as the player in the field with the highest grade-point average (4.0). Potter was named the SEC and NGCA East Region Coach of the Year.

In 2009-10, Lennarth set what was then the school single-season scoring record with a 72.59 average while Kirby broke the freshman scoring mark with a 73.06 average, shattering the mark of 74.06 set by Pancake in 2008-09. The team also set 54- and 72-hole school scoring records at the SEC and NCAA championships, respectively.

Potter's 2008-09 team finished the year 11th at the NCAA Championships while being ranked eighth in the final NGCA Coaches' Poll and seventh in the Golfweek/Sagarin Performance Index. The Tide captured their fifth tournament victory under Potter's guidance in 2009 at the First Market Bank Intercollegiate. Alabama also tied for second at the SEC Championships and then was runner-up at the NCAA East Regional. The Tide's fifth trip to the NCAA Finals in 2009 produced another improvement with an 11th-place finish.

Alabama had two players, Ekey and Lennarth, earn first team All-SEC honors in 2009 while Pancake was selected to the league's All-Freshman Team and awarded Second Team All-SEC recognition. Ekey and Lennarth garnered 2009 honorable mention All-America accolades, with Ekey, Lennarth and Pancake all earning NGCA All-East Region honors.

The 2007-08 season saw Alabama earn its third straight berth to the NAAs, finishing 12th at the 2008 NCAA Championships. Alabama won three tournaments in 2007-08, including the Crimson Tide Classic in record-breaking fashion. The Tide turned in a then-school-record 54-hole score of 861 (-3) at the Ol' Colony Golf Club. Alabama shot a final-round score of 279 (-9), also a school record. Five Tide golfers finished in the top 10 with Ekey carding a school record and women's course record score of 65 (-7) to finish with a 54-hole score of 203 (-13) and medalist honors.

The Crimson Tide also earned tournament titles at the 2007 Wildcat Fall Invitational with a score of 889 and at the 2008 Lady Puerto Rico Classic. After the Classic, Sarah Sturm was named the Golf World National Player of the Week. Ekey went on to earn All-American honors in her first season at the Capstone (2008) and broke Suh's single-season record for stroke average by posting a 73.30.

The 2006-07 campaign saw the Tide take another step forward in the development of the program under Potter's guidance. Alabama recorded five top-five finishes, including a runner-up showing at the Derby Invitational. For the second-straight year the Crimson Tide earned a berth in the NCAA East Regional and finished seventh to advance to the NCAA Championship Finals for just the third time. Suh earned honorable mention All-America honors and became a two-time, First Team All-SEC honoree after averaging 73.88 strokes per round.

Potter made an impact from the start. In his first season (2005-06), the legendary coach led Alabama to a tournament championship in his very first outing by winning the Tide's Ann Rhoads Invitational. After qualifying for the 2006 NCAA East Regional, the Crimson Tide put together

COACHES & STAFF

a postseason run by defeating Virginia in a playoff to advance to the school's second-ever NCAA Championship.

Suh earned first team NGCA All-America honors in 2005-06 after shattering the school record at the time with a 73.44 stroke average. Looking back on Potter's resume, it comes as no surprise that he had his first Tide team competing at the NCAA championships.

On June 17, 2005, The University of Alabama named Potter, a 1994 NGCA Hall of Fame honoree, as its women's golf coach. By doing so, the Crimson Tide added one of the most illustrious names in women's golf to its golf heritage.

Potter proved to be one of the collegiate golf's outstanding teachers and coaches while guiding Furman, a school competing in the Southern Conference, to national prominence during his 22-year tenure with the Paladins. He also served for 10 years as Furman's Director of Intercollegiate Golf. Potter guided Furman to 15 NCAA Championship berths and six top-10 national finishes, including an NCAA runnerup performance in 1987. He has yet to coach a season in which his team has not reached NCAA Regional competition, a streak dating back to 1993, the first season in which the regional format was established.

The ability to build and maintain a program certainly are among Potter's strengths when considering the amazing run of success he had throughout his career at Furman. Potter took the school, with an approximate enrollment of 2,500 students, into the upper tier of women's golf schools, leading the Paladins to unprecedented heights.

Potter was named Southern Conference Coach of the Year eight times and led his Furman teams to 36 tournament titles while his Tide teams have captured 35 tournament wins, which puts him among the leaders for all active women's golf coaches with 71 total victories.

To put that remarkable statistic in perspective, the Alabama women's golf program had won only 19 team tournament titles in the 31 years prior to Potter's arrival in Tuscaloosa.

Led by Potter, the Paladins won 10 Southern Conference Championships between 1994 and his departure following the 2005-06 season.

Potter has coached 45 WGCA All-Americans, 48 WGCA All-Scholar Athletes, 74 allconference selections, 11 players to 24 first team All-SEC awards, 15 conference players of the year and eight conference freshmen of the year.

One of the most important standards of success for any coach in major collegiate athletics is the ability to place players into the professional ranks while guiding them to a degree. Measuring Potter by these standards again places him among the very best in the nation. Since Potter's arrival at Alabama, eight of his players have earned their LPGA Tour card - Hannah Collier, Kathleen Ekey, Jennifer Kirby, Cheyenne Knight, Stephanie Meadow, Brooke Pancake and Emma Talley. Meadow finished third at the 2014 U.S. Women's Open and earned her LPGA Tour card for the 2015 season.

In 2016, Potter added an Olympian to the list of his former players as Meadow represented Ireland in the inaugural women's Olympic golf tournament at the 2016 Games in Rio.

In the exceedingly competitive LPGA atmosphere, Potter's former players have enjoyed long, successful careers in professional golf. Through the end of the 2019 season, former Potter pupils had amassed 100-plus seasons on tour. Pepper - a former Furman standout and Paladin Hall-of-Famer - had an illustrious LPGA career, winning 17 events, including the 1992 and 1999 Kraft Nabisco Championships. She earned more than \$5 million in career winnings before ending her 20-year professional career in 2003.

By any standard, Potter has proven to be one of the best women's golf coaches in the nation for more than three decades. He has built successful programs and maintained that standard by recruiting and cultivating talented players who advance to the professional ranks and obtain their degrees.

A 1977 graduate of Cortland State University, Potter majored in physical education while earning four varsity letters: three in soccer and one in golf. He is married to the former Kim O'Branski of Ithaca, N.Y. The couple has two sons, Ryan and Corey, two granddaughters, Anna and Caroline and a grandson, Maddox.

FLORIDA, 1996

Head coach Mic Potter is aided by assistant coach Susan Rosenstiel, who is entering her 19th season at the Crimson Tide, and her 17th season with Potter, in 2021-22. A former collegiate golfer, Rosenstiel joined the Alabama coaching staff in the fall of 2003.

Rosenstiel's efforts in Tuscaloosa were honored following the 2010 season as the National Golf Coaches Association recognized her as National Assistant Coach of the Year. Rosenstiel was further honored in 2018 when she was tabbed to serve as an assistant coach for the United States squad that competed in the Palmer Cup in Evian-les-Bains, France.

She brings her vast and diversified experience in women's collegiate golf to a Tide program that has shown unmatched growth during her time at the University. Rosenstiel's wealth of SEC experience includes a playing career at Tennessee and Florida, plus time on the staff at the University of Florida and as an assistant golf professional. She was also the tournament director for the 2010 SEC Championship at the North River Yacht Club in Tuscaloosa.

Rosenstiel assists Potter in all facets of developing the Crimson Tide players and program, including

instruction, course management, coordination of golf operations and recruiting.

"Susan is a tremendous asset to this program," Potter said. "Her experience as a player and her ability to relate to our athletes make her an invaluable asset. I'm thankful to have a coach with her ability in the program."

During her first 18 years at the Capstone, Rosenstiel has mentored numerous top players who have combined for 61 All-America honors, 38 All-SEC accolades and 11 SEC All-Freshman selections. Additionally, Alabama has won three SEC Player of the Year and five SEC Freshman of the Year awards during her tenure. Her career with the Tide includes the 2012 NCAA Championship, 14 NCAA Championships appearances, four NCAA Regional championships and three SEC Championships.

Rosenstiel, formerly Susan Conger, began her collegiate playing career at the University of Tennessee, playing two seasons (1992-94) for the Lady Vols. She then transferred to the University of Florida, where she finished her playing career (1994-97) as a Gator.

During her stay at Florida, Rosenstiel garnered Academic All-America honors and SEC Academic Honor Roll accolades. She earned her bachelor's degree in

agriculture, food and resource economics from the University of Florida in 1996 and received her master's in exercise and sports sciences, sports management in 1999.

While working on her master's, Rosenstiel spent time as an assistant with UF's College of Health and Human Performance. She also served as an intern to Florida's Associate Athletic Director and Senior Women's Administrator. After graduation, Rosenstiel was an assistant golf professional at the Tradition Golf Club in Royal Palm Beach, Fla., and then at the Turtle Point Yacht and Country Club in Killen, Ala.

The North Fort Myers, Fla., native was born on June 5, 1974, and is married to Tommy Rosenstiel. The couple has two children Henry and Elizabeth.

THE JERRY PATE CENTER

"The Jerry Pate Center is a state-of-the-art training facility that aids our players and program in many ways. The full-swing and short-game practice areas are outstanding and there is room for our entire team to practice indoors with six hitting bays and two putting rooms. The Pate Center also provides our team with an expanded hitting, chipping, pitching and bunker areas. This practice area allows us to hit our own golf balls, which is invaluable on approach shots. We can also work on flat or uneven lies to target greens up to 200 yards away."

MIC POTTER
HEAD WOMEN'S GOLF COACH

The Jerry Pate Golf Center at the Ol' Colony Golf Complex provides the University of Alabama women's golf team with one of the best practice and playing facilities in collegiate golf. The Pate Golf Center is a private facility that is only utilized by the Alabama golf teams. The facility provides plenty of space for both the men's and women's teams with the ability to conduct full practice sessions during inclement weather.

The Pate Center underwent extensive renovations in the summer of 2016, as nearly every facet of the building was upgraded. Among the upgrades is new state-of-the-art technology used by the Crimson Tide coaching staff to help further grow and develop student-athletes, which includes high definition video cameras, a body track, ground pressure system and TrackMan doppler radar machine.

In addition to the upgraded technology, the team's private facility now includes a nutrition bar and full service kitchen to ensure the student-athletes are able to compete at the highest levels before, during and after practice. The new team lounge is located in the same room, which boasts leather oversized chairs and couches and a 70-inch flat screen television which provides the student-athletes with a place to study and relax when not on the course.

Upon entering the facility, the University of Alabama Golf Museum is another new feature, which highlights the accomplishments from a number of past players and teams. Also included in the museum is the 2012 NCAA National Championship trophy, along with SEC championship and tournament trophies.

The locker rooms inside the facility feature tour-sized lockers and all of the amenities.

The Ol' Colony Golf Course was named one of the "Top Five Best New Public Courses in America" by Golf Digest in 2001 and Golfweek named it one of the top-50 municipal courses in America in 2010. The Jerry Pate-designed course is considered one of the best public courses in the nation. The course is a test for even the most advanced golfer with large bunkers, mature trees and numerous water hazards, including a 25-acre lake that challenges almost every shot.

The practice range at the Pate Golf Center, which already provides the Crimson Tide golfers all of the practice components and tools needed to develop, recently finished an expansion and renovation. The practice facility includes a full practice range, putting greens, a chipping area and practice bunkers. The Jerry Pate Golf Center recently added a putting green with an expanded chipping and hitting area. The chipping and hitting areas are complete with new bunkers and practice tees that allow players to hit their own golf balls up to 200 yards into six new target greens.

THE LOUNGE

Joy McCann Culverhouse laid the groundwork for the Alabama women's golf.

As golfing matriarchs go, no program in the nation can claim a more impressive lineage than Alabama's Joy McCann Culverhouse, who claimed two Alabama Women's State Championships (1941 and 1947) and the 1961 Florida Women's Amateur title.

The University of Alabama announced on Feb. 18, 2015, that Hugh Culverhouse Jr. had given \$250,000 to endow a women's golf scholarship in honor of his mother, Joy McCann Culverhouse who starred at Alabama in the early 1940s.

"All of us who are associated with the women's golf program at the University of Alabama are grateful for the generosity shown by Hugh Culverhouse in honoring his mother, Joy McCann Culverhouse, with an endowed scholarship in her name," Alabama head coach Mic Potter said. "This endowment will ensure that deserving student-athletes will have the opportunity to compete at the highest level of intercollegiate golf well into the future.

"I am hoping that the publicity surrounding this endowment will serve to honor Joy McCann Culverhouse as the pioneer that she is, not only for The University of Alabama women's golf, but for women's amateur golf on the national level," Culverhouse Jr. added. "I am proud of The University of Alabama Golf program, and I want the women's team to uphold the tradition of excellence my mother brought to golf."

In an effort to further enhance the development of opportunities for the

JOY MCCANN CULVERHOUSE AND THE CULVERHOUSE ENDOWMENT

women's golf program at Alabama and expand the Crimson Tide's donor base, Culverhouse Jr. pledged to double his donation to the program (an additional \$250,000) if others responded to this gesture by donating gifts of their own totaling \$500,000.

Just six months later, Culverhouse's challenge had not only been met but exceeded. The resulting gifts and pledges total more than \$510,000 in support of scholarships for the Crimson Tide's women's golf program. Subsequent to Mr. Culverhouse's original \$250,000 donation, several Alabama supporters answered the call and accepted the challenge, providing those additional gifts and pledges.

The catalyst for the fundraising effort was the inspirational example set by Culverhouse's mother, Joy McCann Culverhouse, who celebrated her 95th birthday in March of 2015. She set a standard of excellence in competition that has served as the benchmark for achievement in Alabama's storied women's golf program, which won the NCAA Championship in 2012 under Potter's leadership.

"As a young boy, I learned so many good life lessons from shagging golf balls while my mother prepared for tournaments and watching her determination as she played," Culverhouse explained. "Whether she won a match or lost, she was always a lady. Of course, if she lost, I spent a lot more time shagging those golf balls! Her work ethic was amazing, and it lives within me to this day. I can say, without any doubt, that work ethic has led to whatever personal success I have had. I would like Joy McCann Culverhouse to represent a high standard at the place that deserves it, and for a program that has earned it - the University of Alabama Women's Golf Team."

McCann Culverhouse, who was hailed as "Montgomery's finest links competitor in a generation," became the youngest golfer to win the Alabama Women's State Championship in 1941. McCann

Culverhouse went on to capture the Alabama State Championship again in 1947 and the won the Florida Amateur title in 1961.

McCann Culverhouse actually got her start as a freshman at LSU, becoming one of the first women granted a partial scholarship for athletics and playing as the ninth player on the Tigers' men's squad. She transferred back home to The University of Alabama where she continued her golfing career, was a member of Delta Delta Delta sorority, secretary of the senior class and a member of Pan Hellenic.

McCann Culverhouse led the way for the Crimson Tide women's golf program to achieve full recognition as a varsity team prior to the 1974-75 season, creating opportunities for some of the game's greats to wear the crimson and white including Martha Jones Lang, Peggy Kirsch, Judi Schneider, Kathryn Cusick, Jenny Suh, Kathleen Ekey, Camilla Lennarth, Brooke Pancake, Jennifer Kirby, 2012 Ladies British Amateur champion Stephanie Meadow and 2015 NCAA medalist and 2013 United States Amateur champion Emma Talley.

"I am so very proud to have one of this University's finest alumnae and athletes giving back to a sport that she helped begin during her time at the Capstone," former Alabama Director of Athletics Bill Battle said. "The generosity shown Joy McCann Culverhouse and her son, Hugh Culverhouse Jr., will be instrumental in the continued success of the Alabama women's golf program."

She finished her coursework at the Capstone in 1942, earning her degree in arts and sciences. McCann Culverhouse won a total of 27 championships during her golfing career. In 1997, the Florida House of Representatives passed a house resolution in recognition of her numerous contributions to the advancement of women.

"Every journey starts with the first step, and Hugh has certainly provided

us with a big step," Battle stated. "Our journey to endow all of our athletics scholarships will be a long one, but we are off to a great start due to the generosity of these outstanding supporters of our athletics program. The tremendous commitment of our donors is proof positive that our larger goal of endowing all athletics scholarships is not only necessary, but also attainable."

Alabama women's golfer Lakareber Abe became the first recipient of the Joy McCann Culverhouse scholarship. Abe had an outstanding rookie season as a freshman in 2015 as she earned Southeastern Conference All-Freshman team honors, becoming only the seventh player in program history to achieve the feat. She played in 10 tournaments throughout the 2014-15 season, five of which resulted in top-20 finishes. Abe finished the season second on the team with a 75.03 scoring average, while 27 of her 31 rounds counted toward the team score. "Lakareber Abe is an outstanding person to represent our program with the first Culverhouse scholarship," Potter said. "She has been great in the classroom and great on the golf course, and is a terrific representative on what the Alabama women's golf program is all about."

With these donations, the Crimson Tide Foundation has now raised more than \$25.6 million since 2010 specifically

for endowed scholarships.

"I am very thankful for the opportunity to be able to honor my mother in this way," Culverhouse said. "In particular, I want to thank Bill Battle, Sam Branch (Sr. Associate Athletics Director for Development), Mic Potter (UA women's golf coach) and, especially, those who accepted the challenge and matched my original donation. It's a fitting way to honor Joy, and a tremendous example of the difference we can make."

Mr. Culverhouse's effort, and the corresponding generosity inspired by it, is the latest in a series of giving examples over the last several years that are part of a larger campaign to eventually endow every athletics scholarship at Alabama. The Crimson Tide Foundation has set a goal of raising \$100 million for endowed scholarships with the knowledge that the ultimate cost of fully endowing every athletics scholarship likely will exceed \$300 million.

"First of all, what has come to my attention throughout this process is what Joy McCann Culverhouse has meant to the women's golf program at the University of Alabama," Potter added. "Clearly, she had a great career in amateur golf. I was somewhat aware of her accomplishments before but, since Hugh has come forward with such generosity, it has been nice to be able to trace back that history and tradition

McCann Culverhouse won the Alabama Women's State Championship in 1941 and 1947.

by getting to know the Culverhouse family. I am also thankful for the other donations we have received. Nothing warms a coach's heart more than to get your program's scholarships fully endowed. Hugh had a vision, not only for athletics success, but academic success as well, and he has stepped forward with this program. I can't thank him enough for his loyalty and generosity."

Former Alabama women's golfer **Lakareber Abe** became the first recipient of the Joy McCann Culverhouse scholarship following her freshman season in 2015.

2012 NCAA NATIONAL CHAMPIONS

Alabama shot a 19-over 1,171 to edge Southern California by one shot over 72 holes to win the program's first national championship on the Crimson Tide's eighth visit to the NCAA Finals. It was head coach Mic Potter's seventh trip to the NCAAAs at Alabama and his 22nd NCAA Championships appearance overall for the WGCA Hall of Famer. UA was led by senior Brooke Pancake, who finished runner-up individually at 2-under 286. The Chattanooga, Tenn., native drained a four-foot par putt on the 72nd hole to secure the national championship. The Tide carded rounds of 286 (-2), 285 (-3), 306 (+18) and 294 (+6). Pancake won the Honda Award, which goes to the nation's best women's golfer and the Crimson Tide had three First Team All-Americans in Pancake, Jennifer Kirby and Stephanie Meadow.

2015 NCAA INDIVIDUAL NATIONAL CHAMPION EMMA TALLEY

Emma Talley became the first NCAA individual champion in Alabama women's golf history with 3-under 285 on Monday, May 25, 2015 at the par-72, 6,468-yard Concession Golf Club in Bradenton, Fla. Her bogey-free final round of 3-under 69 sealed the one-shot victory.

"It was just an incredible week," Talley said. "I had been playing well up to this point, and everything kind of came together and clicked just at the right time. God's blessed me with so much, and I just took it and ran with it."

Talley entered the final round with a one-stroke lead. She started on the back nine, and played the first nine at even-par, making pars on all nine holes. When her birdie putt on the par-4 18th lipped out and Duke's Leona Maguire took the lead at 1-under, Talley would answer right back with a birdie on the par-4 first.

Continuing her bogey-free round, the junior golfer from Princeton, Ky., would par No. 2, before making birdie on the par-5 third, once again countering Maguire's birdie, and moving to 2-under.

Clutch putting on the par-3 fourth, the par-3 sixth, and the par-4 eighth preserved Talley's 2-under, and she would walk to her final hole with a one-stroke lead.

On the par-4 ninth, Talley's tee shot would find the fairway bunker. She would hit seven-iron from the sand 148 yards from the hole, and would land it on the green, within eight feet of the hole.

"It was as good [a shot] as I've seen," head coach Mic Potter said. "Up-hill, and into the wind, and to be able to hit it that solid, it never left the flagstick. It was pretty impressive."

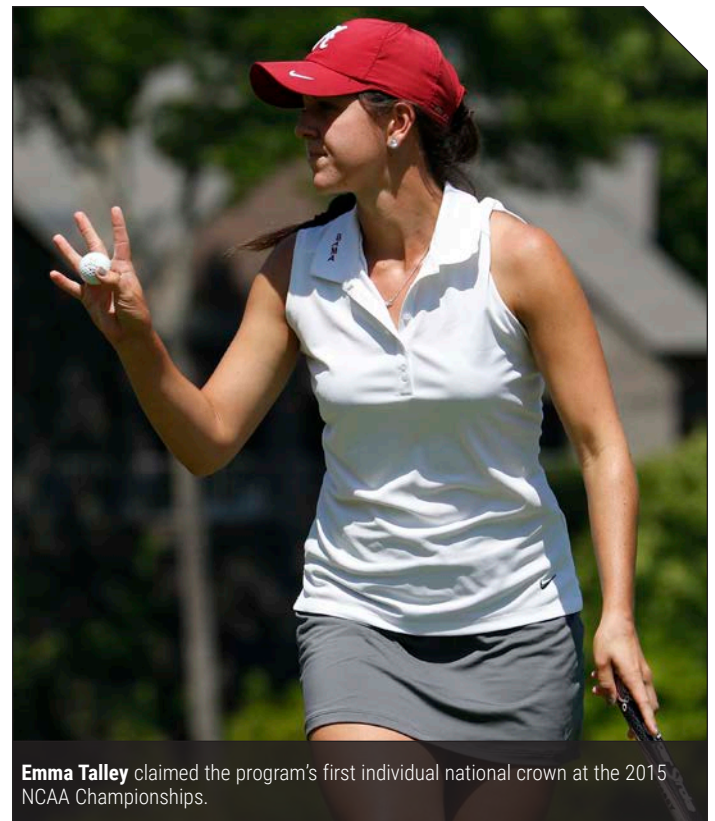

Lining up her birdie putt, the horns sounded and play was suspended for 52 minutes for lightning in the area. After the delay, Talley would sink the putt, to close the first, and one of only two, bogey-free rounds of the championships at 3-under 69.

"I came back out [from the clubhouse], and all the nerves hit me again," Talley said. "It was really nerve-racking, but I think my past experiences really helped me be able to take care of that pressure."

Talley's 3-under 285 (70-73-73-69) is the second-best under-par and second-lowest score for any Alabama golfer in a 72-hole event, trailing only Jennifer Kirby's 4-under 284 in 2010. Previously, the best finish at

the NCAA Championships by a UA player was Brooke Pancake in 2012, as she finished second. It is just the 13th round in the 60s by a UA player in NCAA Championships history.

With the title, Talley adds to a long list of accomplishments. She becomes the fifth player in history to win a U.S. Amateur and an NCAA Championship individual crown, and the first since Virada Nirapathpongporn (2002/2003). Talley was also a part of the 2014 U.S. Curtis Cup win, and was the low amateur at the 2014 British Open.

Emma Talley claimed the program's first individual national crown at the 2015 NCAA Championships.

2018 U.S. WOMEN'S AMATEUR CHAMPION KRISTEN GILLMAN

Alabama's Kristen Gillman jumped out to a 5-up lead after the morning round on her way to a 7-and-6 victory over UA teammate Jiwon Jeon to win the 2018 U.S. Women's Amateur at the par-71, 6,365-yard Golf Club of Tennessee.

With the win, Gillman joined former Crimson Tide All-American Emma Talley as Alabama's second U.S. Amateur champion. Talley took home the title at the 2013 tournament in Charleston, S.C. The title is also the second of Gillman's career. The Austin, Texas, native won the 2014 U.S. Amateur at Glen Cove, N.Y., as a high schooler in 2014. Gillman became just the sixth multiple U.S. Amateur champion since 1980 with the victory.

"It feels incredible to be able to win a second time," Gillman said following the match. "It's a great accomplishment and something that's hard to do because this tournament has all of the best amateur players, so I'm really proud to be able to do it again."

The final matchup was the first championship match to feature two college golfers from the same school in the history of the U.S. Women's Amateur.

Gillman never trailed in the match and raced out to a 7-up lead through the first 16 holes in the morning round before Jeon won 17 and 18 to shave the margin to 5-up heading into the afternoon 18. But that was as close as the Tide junior would come the rest of the day as Gillman pushed her lead to 6-up on the opening hole of the second 18 and never looked back.

"I kept the same mindset going out there for the second 18," Gillman said. "I treated it like it was all-square again and just tried to win that round. I think that helped keep me focused."

The win capped a stellar summer for Gillman who tied for 27th at the 2018 U.S. Open in June and was a member of victorious U.S. teams at the Curtis and Palmer cups in June and July, respectively. In late July she won the LPGA of Japan's Century 21 Ladies' Tournament.

2013 U.S. WOMEN'S AMATEUR CHAMPION

The University of Alabama's Emma Talley won the 2013 United States Women's Amateur Championship with a 2 and 1 victory in the 36-hole final at the par-71, 6,488-yard Charleston Country Club. Talley, from Princeton, Ky., is the first Alabama player to win the U.S. Women's Amateur Championship and the second Alabama player to claim a USGA event (Martha Lang [Jones] won the 1988 USGA Women's Mid-Amateur). Talley carded a par to close out Yueer Cindy Feng on the 35th hole of the final match on the 154-yard par-3 17th hole. She defeated Lydia Choi 3 and 1 in the first round of match play after qualifying for match play by tying for second in the 36-hole qualifier at 2-under 140. Talley beat Tatiana Wijaya in the second round 8 and 7 and advanced to the quarterfinals with a 2-up win over Maria Fassi. Talley then dispatched Su-Hyun Oh 1 up in 19 holes to reach the semifinals. In the semifinals, Talley won the 17th hole against No. 1 junior Alison Lee and earned a half on the 18th to secure the 1-up win.

2012 LADIES BRITISH AMATEUR CHAMPION

Stephanie Meadow won the 2012 Ladies British Open Amateur Championship. She defeated Spain's Rocio Sanchez Lobato 4 and 3 in the final at Carnoustie. Meadow sank an eight-foot putt to win the first hole and went 2 up with a par on No. 2 and went 3 up with a birdie on No. 4. Lobato won the fifth but Meadow responded by winning the sixth and seventh holes to move to 4 up. Lobato made birdie at the eighth to win the hole but Meadow came right back with a birdie on the 11th. Her Spanish opponent countered with a winning birdie at the 12th to cut Meadow's lead back to three. Meadow birdied the 13th – almost holing her tee shot – to go 4 up with five to play. Meadow then closed out the match on the 14th and 15th holes with halves. Meadow defeated England's Georgia Hall 3 and 2 in the semifinals and Wales' Amy Boulden 2 and 1 in the quarterfinals. She knocked off Emily Taylor 1 up in extra holes in the first round and defeated Nathalie Mansson 4 and 2 in the round of 32.

BROOKE PANCAKE 2012 HONDA SPORTS AWARD WINNER

2012 HONDA SPORTS AWARD

Alabama's Brooke Pancake has won the 2012 Honda Sports Award in golf, given annually to the nation's top female collegiate golfer.

"I am ecstatic about the Honda Award," Pancake said. "I honestly couldn't ask for a better way to cap off my collegiate career."

This honor came in the midst of a very busy and productive time for the Chattanooga, Tenn., native. In mid-May she graduated from the Capstone with a bachelor's degree in marketing after carrying a perfect 4.0 grade point average for her career. Later that same month, she led the Crimson Tide to its first NCAA Women's Golf Championship with a runner-up individual finish.

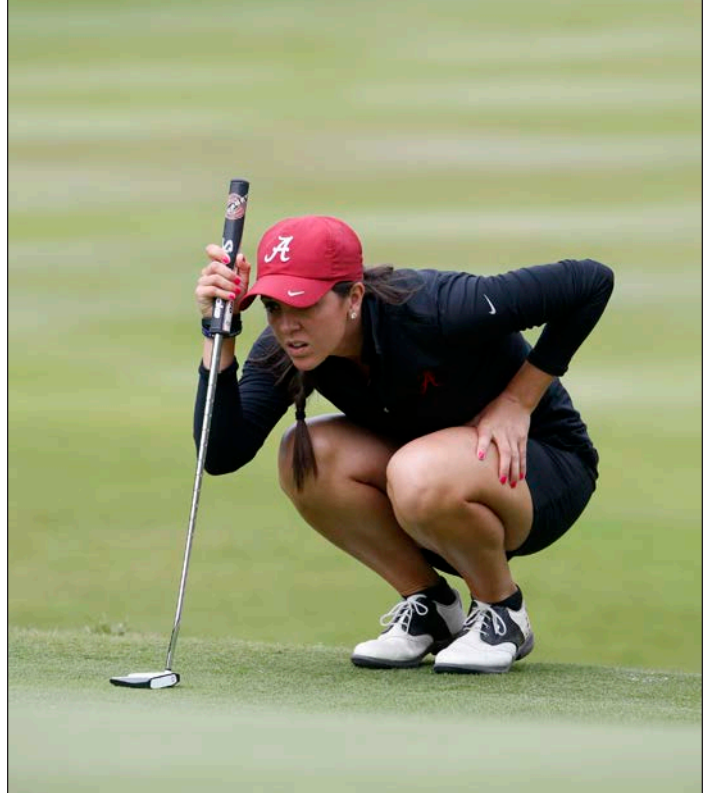

Pancake followed the NCAA Championships by playing in a U.S. Open qualifier before traveling to Scotland where she competed as part of the United States Curtis Cup team.

Pancake's collegiate career culminated with a four-foot par putt on the 18th hole that secured the Tide's first national championship in women's golf with a one-stroke victory over Southern California. A three-time All-American, twice garnering first team honors, she finished her career with a 73.08 scoring average and led the team in 2011-12 with a 72.52 stroke average.

"For me, there was no player at the time I would rather have with that last shot," UA head coach Mic Potter said. "Over the course of her career, she's become such a complete player, a great competitor and a tremendous ambassador for our program. Off the course, I can't say enough about what she's accomplished."

A first-team Capital One/CoSIDA Academic All-American, Pancake earned the Edith Cummings Munson Award from the NGCA in 2011 as the student-athlete with the highest GPA among first team All-Americans. She also earned the NCAA Elite 88 Award (now called the Elite 90 Award), given to the student-athlete with the highest GPA at an NCAA Championships final site, in 2010.

EMMA TALLEY 2015 HONDA SPORTS AWARD WINNER

2015 HONDA SPORTS AWARD

Alabama's Emma Talley was named the 2015 Honda Sports Award winner for golf the Collegiate Women's Sports Awards (CWSA).

"I am truly honored to win the Honda Award for Golf," Talley said. "Just being a finalist was special for me, so to win the award over such a talented group of finalists is amazing. My win at the NCAA Championships was a dream come true, and I want to thank coach Mic Potter, coach Susan Rosenstiel and all of my current and former teammates. I would not have this opportunity without all of the guidance and inspiration they have provided throughout my time at Alabama."

Talley, a native of Princeton, Ky., capped off a stellar junior season with a one-stroke victory at the NCAA Championships at The Concession Club in Bradenton, Fla., on June 25, becoming the first NCAA medalist in Alabama golf history. She posted a bogey-free final round of 69 and finished 3-under 285.

She earned Women's Golf Coaches Association (WGCA) First Team All-America honors this season making her a three-time All-American after garnering second-team honors as a freshman and honorable mention accolades as a sophomore. She is just the fifth player in golf history to win both an NCAA Championship and the U.S. Amateur (2013).

"I could not be more excited for Emma," Alabama head coach Mic Potter said. "The Honda Award for Golf is one of the most prestigious honors in our sport and Emma is very deserving. I can't say enough about her performance at the NCAA Championships. Her consistent excellence over four rounds, and her dedication to playing one shot at a time is why she is one of the best amateur players in the world. Emma has become such a complete player, a great competitor and a tremendous ambassador for our program. She is a truly special student-athlete and the epitome of the complete student-athlete."

Talley finished the season with a team-best 72.50 stroke average with seven top-10 finishes. She averaged just .69 strokes per round over par and counted towards the team score in 31 of 32 rounds.

SEC HISTORY

Alabama captured its third Southeastern Conference Championship in 2016 with a five-shot victory over runner-up Florida. The Crimson Tide captured the program's first SEC Championship in 2010 with a four-stroke victory at the NorthRiver Yacht Club in Tuscaloosa. The Crimson Tide then claimed the school's second title in 2013.

In 2013, the SEC Championship moved to a neutral site at Greystone Golf and Country Club in Hoover, Ala., where it remains.

The Crimson Tide boasts a long line of outstanding golfers, but some of the best have played for the Tide and excelled in the Southeastern Conference over the past several years. Alabama has had more first team All-SEC selections over the past 12 seasons (23) than it had in its history prior to 2006 (6). Along with the 2010, 2013 and 2016 victories, Alabama has finished runner-up in the SEC Championship on five occasions, including 1991, 1994, 2009, 2011 and 2017. In 2018, the Tide reached the semifinals of match play in the first season of that format at the SEC tournament.

Along with the eight golfers earning 23 first team All-SEC honors in the past 12 years, the Crimson Tide produced three first-team selections in 2011, 2012, 2017 and 2018 and two each in 2009, 2010 and 2016. Kathleen Ekey and Camilla Lennarth earned first-team honors in 2009 with Lennarth and Jennifer Kirby doing the same in 2010. Lennarth, Stephanie Meadow and Brooke Pancake were first-team choices in 2011 while Kirby, Meadow and Pancake were selected in 2012. Cheyenne Knight and Emma Talley were first-teamers in 2016. Knight, Kristen Gillman and Lauren Stephenson were honored in 2017 and 2018. Alabama has also seen 10 golfers named to the SEC All-Freshman Team over the past 11 years, including four SEC Freshmen of the Year – Kirby (2010), Meadow (2011), Talley (2013) and Gillman (2017) – which gives the Tide its foundation for success. Stephanie Meadow and Cheyenne Knight are the only players to win SEC Player of the Year honors. Meadow won back-to-back honors in 2013 and 2014 while Knight was recognized in 2017. Tide coach Mic Potter was selected as the SEC Coach of the Year in 2007 and then again in 2010, 2011, 2012, 2013 and 2016.

Cheyenne Knight was a freshman when she helped the Alabama women's golf team win the 2016 SEC Championship.

The Alabama women's golf team won the 2016 SEC Championship thanks to (left to right) **Cheyenne Knight, Emma Talley, Janie Jackson, Nicole Morales and Lakareber Abe.**

Alabama women's golf's 2012 NCAA Championship team (left to right): **Susan Rosentiel, Courtney McKim, Brooke Pancake, Hannah Collier, Stephanie Meadow, Jennifer Kirby and Mic Potter.**

Dr. Stuart R. Bell became the 29th president of The University of Alabama on June 18, 2015. Currently in his 7th year of leading the University, Dr. Bell previously served the Capstone for 16 years as a faculty member and then department head of mechanical engineering.

Under his leadership, the University developed and implemented a strategic plan, Advancing the Flagship, which promotes institutional progress with scholarship and teaching, research and creative activity, inclusion and diversity and the recruitment and retention of highly qualified faculty and staff. Since the plan's launch, UA has seen an increase in both student retention and graduation rates; has increased faculty headcount to support the University's instruction, research and service goals; has witnessed the growth of sponsored program awards crucial to direct learning and experience opportunities for students; and has benefited from three consecutive historic fundraising years. New interdisciplinary research centers have also been established and join many other programs on campus focused on solving critical, real-world challenges.

Prior to becoming UA's president, Dr. Bell was executive vice president and provost at Louisiana State University and served as both the chief academic officer and the chief operating officer. Before his time at LSU, Dr. Bell served the University of Kansas as dean of the School of Engineering.

With research concentrations in combustion engines, Dr. Bell has expertise in fuels for engines, innovative engine designs and modeling of engine and engine processes. He founded and directed UA's Center for Advanced Vehicle Technologies, an interdisciplinary research center producing new generations of engineers and scientists. Dr. Bell was also inducted as an Engineering Department Fellow by UA's department of mechanical engineering. He was awarded the Society of Automotive Engineer's Ralph Teetor Award for Outstanding Contributions to Research and Teaching and the T. Morris Hackney Faculty Leadership Award for the College of Engineering.

Dr. Bell was also honored with the Richard S. Woodbury Award from the American Society of Mechanical Engineers, was selected as a recipient of the Dwight Look College of Engineering Outstanding Alumni Award from Texas A&M University and was elected to the Academy of Distinguished Alumni in Mechanical Engineering at his alma mater. He also recently joined the 2021-2022 SEC Executive Committee

An Abilene, Texas native, Dr. Bell earned a degree in nuclear engineering from Texas A&M in 1979. He earned his master's and doctoral degrees in mechanical engineering from the same university in 1981 and 1986, respectively.

It was also at Texas A&M that Dr. Bell met his wife, Susan. They are the proud parents of three adult children, Stuart, Stacy and Stephen and three delightful granddaughters and a grandson. Both of Dr. Bell's sons followed in his footsteps and are engineers. His daughter Stacy is a UA alumna.

GREG BYRNE

DIRECTOR OF ATHLETICS

With more than 25 years of experience in sports administration, Alabama Director of Athletics Greg Byrne has built an impressive career highlighted by consistent competitive success, innovative strategies, vigorous fundraising and a strong emphasis on academic excellence and student-athlete enhancement.

Named Alabama's 17th Director of Athletics on January 17, 2017, he made an immediate impact on the Crimson Tide, developing and implementing both The Standard, a strategic plan outlining the mission statement and core values of Alabama Athletics, and The Crimson Standard, a 10-year, \$600 million capital initiative focused on the renovation of facilities and development of infrastructure.

Additionally, The Standard provides benchmarks in the areas of academics, student-athlete welfare, athletics success, financial resources, facilities, staffing and

operating with integrity, while The Crimson Standard is designed to provide the foundation for future success in all aspects of the collegiate experience.

Under Byrne's leadership, the Crimson Tide has:

- Posted its highest finish in program history in the Learfield IMG College Directors' Cup at the conclusion of the 2020-21 season, placing seventh, as well as its second-highest finish at 14th following the 2017-18 season
- Added high-impact coaches Nate Oats (men's basketball), Brad Bohannon (baseball), Lindsey Devine (volleyball), Glenn Putyrae (rowing) and Margo Geer (men's and women's swimming & diving) to the Tide's lineup, all five of which made immediate impacts in lifting their respective programs up the national ladder
- Won the 2021 and 2018 College Football Playoff National Championship, earned a place in the CFP Championship Game in 2018, 2019 and 2021 and collected Southeastern Conference titles in football (2017, 2020), men's basketball (2021), gymnastics (2021), softball (2021, 2019) and men's indoor track & field (2018)
- Brought home individual and relay national titles in cross country, gymnastics, swimming & diving and track & field and produced more than 100 All-Americans in 12 different sports
- Earned over 40 CoSIDA Academic All-America certificates as well as some of the nation's top academic honors, including the NCAA Top 10 Award, the NCAA Elite 90 Award, CoSIDA Academic All-America of the Year, NCAA and SEC Postgraduate Scholarships
- Earned the H. Boyd McWhorter Male SEC Scholar-Athlete of the Year in 2017 and produced 14 SEC Scholar-Athletes of the Year in 10 different sports, including a conference-record eight during the 2019-20 academic year

Another hallmark of Byrne's career has been both building and enhancing facilities to championship levels. In his first four years at Alabama, the Tide:

- Raised more than \$300 million toward The Crimson Standard capital campaign, with over half of the 10-year goal completed in a little over two years

- Added a state-of-the-art, first-of-its-kind Sports Science Center featuring advanced treatment services and technology with spaces dedicated to cryotherapy, chiropractic care, stretch, massage, relaxation, recovery and mental health services
- Improved and renovated Bryant-Denny Stadium, including enhancements to all team and recruiting areas, renovations of multiple fan areas, including new Loge and sky boxes and a trio of club areas and an added student plaza
- Renovated and expanded the football team locker room, training room, equipment room and lobby within the Mal M. Moore Athletic Facility
- Added and renovated multiple areas of the John and Ann Rhoads Softball Stadium, with upgrades to the press box and clubhouse, the addition of a new umpire locker room, new restrooms and a new concessions building, as well as new hardscape for the plaza and entryway along first base
- Revitalized the Alabama Aquatic Center with a renovation that included the addition of an outdoor pool

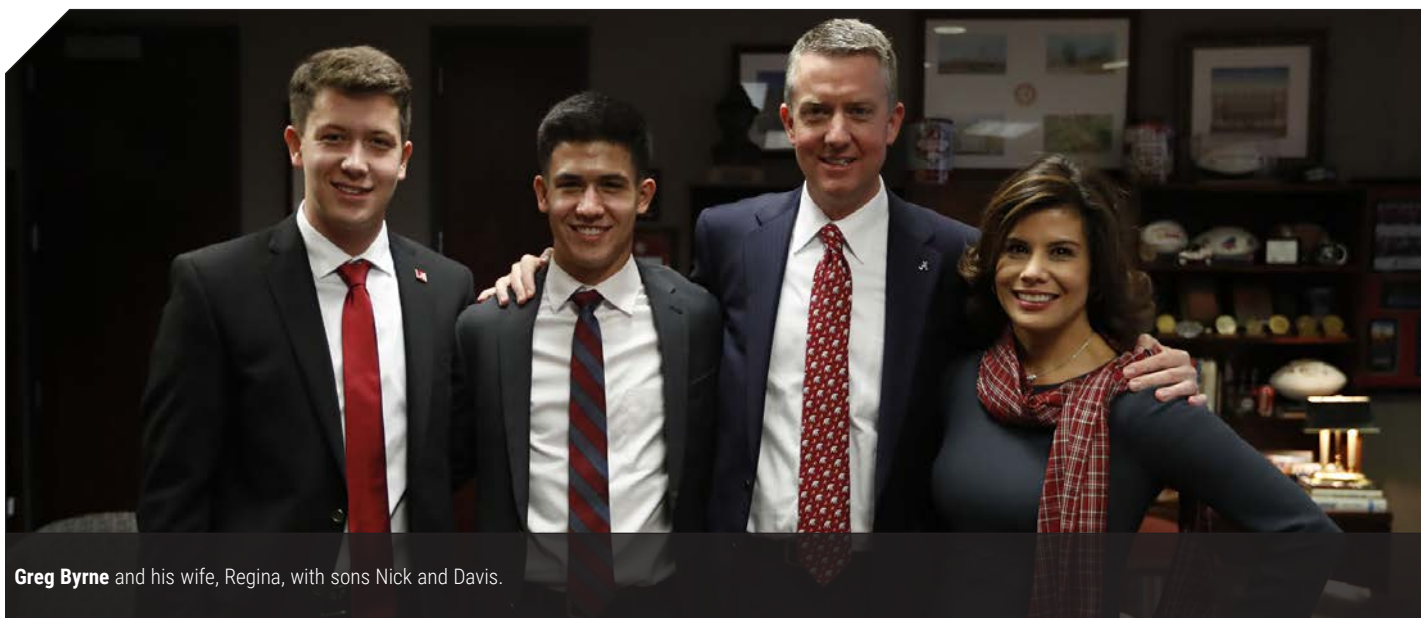

In addition to his role as Director of Athletics, Byrne serves on several committees at both the conference and national levels including:

- United States Olympic & Paralympic Committee Collegiate Advisory Council
- Division I Men's Basketball Committee
- National Coalition of Minority Football Coaches Coalition Academy
- Served as president of the National Association of Collegiate Directors of Athletics in 2020

The son of Bill Byrne, whose long and highly successful career included 30 years as an athletics director, Greg Byrne has spent a lifetime around major college athletics. That background has allowed the younger Byrne to consistently develop and grow as a dynamic and impactful administrator with each new role he has undertaken, with career highlights prior to Alabama that include:

- Serving as the University of Arizona's Vice President for Athletics (2010-17) and Mississippi State University's Director of Athletics (2008-10), making Alabama the third NCAA Division I program he has led
- Fostering major improvements across the spectrum of sports at both Arizona and MSU, raising the bar to new heights when it came to student-athlete enhancement and academic success in preparation for life after sports
- More than \$140 million in construction and renovation of athletics facilities at Arizona
- Serving as the youngest athletics director in the SEC and the youngest to lead an athletic program at the NCAA Division I-A level while at Mississippi State where he oversaw the hiring of head football coach Dan Mullen and former head baseball coach and current Director of Athletics John Cohen
- Experience in the Southeastern Conference, having spent 2002-05 at the University of Kentucky as Associate Athletics Director for Development and Fundraising prior to serving as Associate Athletics Director for External Affairs at MSU from 2006-08 before becoming the Bulldogs' Director of Athletics
- Working at the Fiesta Bowl (1994-95), Oregon (1995-98) and Oregon State (1998-2002)

A native of Pocatello, Idaho, Byrne earned his bachelor's degree from Arizona State University in 1994 and his master's degree from Mississippi State University in 2009. Byrne is married to the former Regina Misa of Junction City, Ore., and the couple has two sons, Nick and Davis.
